RE SERVICES OF NY, LLC

Providing quality paralegal
services for all of your Real Estate
needs.

Let us do the work...

RE Services of NY, LLC works for you when you need. No need to worry about additional office space, equipment, supplies, salaries, or reduction in workforce if business slows down momentarily.

Due Diligence

Board minutes, Offering Plans, Questionnaires, Financials, Closing Cost Analysis, and more... All done with a purchaser's best interest so there are no surprises in the end.

Document Preparation

From contract to post-closing, we gladly prepare the documents needed to complete the process.

Title Review & Clearance

Every necessary step is taken to accurately satisfy all requirements and exceptions prior to closing.

Paralegals are not attorneys and cannot provide legal advice; nor can a paralegal represent anyone in a real estate transaction.

Recordings & UCC Filings

Not only can we prepare your documents... We can record them too. Let us do the work!

Tax, Water and Insurance Payments

An added convenience, if needed.

Payoff Requests

As soon as a client knows they are selling their property or moving forward with a refinance, let us know. We'll immediately get the payoff process started.

Notarial Services

Need your documents notarized? We can handle that too!
